Sales Dashboard Summary

Overall conclusions and strategic recommendations from the sales analysis

Key Findings

- The West region is the highest performing region in terms of sales.
- Technology is the leading category contributing the most revenue.
- Consumer segment dominates the overall customer base.
- Sales peak during the last quarter of the year, especially in November and December.

Strategic Recommendations

- Increase marketing and inventory before the Q4 sales peak.
- Focus on expanding the Technology category due to strong demand.
- Improve profitability strategies in lower-performing regions.
- Strengthen engagement with high-value Consumer segment customers.
